## EMPOWERING COMMUNITIES CHANGING LIVES

## YOUR IMPACT

Together, we can shape brighter futures. Here's how you can be part of it.

#### **DONATE**

Your gift keeps Scouting strong by enriching programs, caring for camps, equipping leaders, and opening doors through scholarships so every child has the chance to grow, lead, and thrive in Scouting.

### **VOLUNTEER**

As a Scouting volunteer, you are the vital link that shapes tomorrow's leaders. You foster character, promote civic engagement, and cultivate leadership skills. You open the outdoors to exploration, encourage inclusivity and diversity, and build friendships that last a lifetime. You help youth develop skills, embrace duty and honor, and prepare for adulthood. Most importantly, you leave a lasting positive impact on every young life you touch.

# TOGETHER, WE'VE DONE **SO MUCH:**

**200+** Eagle Scout projects given back to local communities.

**2,000+** Scouts participated in Community Outreach programs.

**69,402** camper days were enjoyed across our 6 premier camp properties.

**78,491** hours of community service were given by Scouts.

#### SCOUTING IMPACT

Scouting is more than a program—it's a path to a brighter future. Our mission is simple yet powerful: to prepare young people for life. Through hands-on experiences, outdoor adventures, and characterbuilding challenges, Scouts gain the skills and confidence to reach their full potential. Here in the LHC, we provide a safe, supportive environment where every child can learn, grow, explore, and create memories that last a lifetime.
